INFINITY HEALTH

Revised Supplier Quotation · RFQ CHAI · Flowmeters and Humidifiers

Maputo, 9 November 2026 · Reference IH/CHAI/FLOW/2026-11 · Revision 2 (consolidated)

1. Basis of this revision

This revision replaces all earlier versions and consolidates the supplier price list dated 9 November 2026 with the clarifications issued afterwards. Three figures changed and one option appeared that was not previously visible:

Item	Earlier version	This revision	Status
Inlet pressure, LYX-AC15	15 MPa on the sheet, 400 kPa by e-mail	**400 kPa**	Corrected, coherent
Flow range, LYX-AC13H2	1 to 70 LPM	**1 to 15 LPM**	Corrected, starts at 1
Freight basis	USD 7,200 for one 40HQ	**USD 240 per m³ LCL**	Correct scale
Humidifiers, Lot 2	Listed as an extra at USD 2 each	**Included at 19.80, removed at 15.50**	New option

2. Scope and specifications

All three lots are quoted against the RFQ quantities. Specifications are those now confirmed in writing by the supplier on the price list of 9 November 2026.

Lot 1 · 25 units · Double oxygen flowmeter, DIN connection

Field	Detail
Model	LYX-AC15
Connection	DIN type, German standard, with DIN oxygen probe
Material	Brass and plastic
Inlet pressure	**400 kPa** (corrected from 15 MPa)
Outlet pressure	0,2 to 0,3 MPa
Flow range	1 to 15 LPM per outlet
Humidifier	Silver humidifier with safety valve, included
Packaging	Packed in cartons
Lead time	15 working days

Lot 2 · 1.169 units · Twin oxygen flowmeter, SANS 1409

Field	Detail
Model	LYX-AC13H2 (double)
Material	Brass and plastic
Outlet pressure	0,2 to 0,3 MPa
Flow range	**1 to 15 LPM per outlet** (corrected from 1 to 70 LPM)
Standard	SANS 1409, stated on the price list
Humidifier	Chrome-plated brass reusable autoclavable XF-0305, 200 ml, with safety valve — included at USD 19,80, removed at USD 15,50
Packaging	Packed in cartons
Lead time	20 working days

Lot 3 · 2.388 units · Oxygen humidifier bottles

Field	Detail
Model	XF-0326, disposable
Capacity	500 ml
Use	Single use oxygen therapy
Packaging	Packed in cartons
Lead time	Within 20 days

3. Pricing

Two configurations are possible for the humidifiers. They are not equivalent products and the choice is clinical, not commercial.

Position	Qty	Unit USD	Amount USD
Lot 1 LYX-AC15, DIN	25	32,00	800,00
Lot 2 LYX-AC13H2 *with* 200 ml reusable humidifiers	1.169	19,80	23.146,20
Lot 3 50 additional 200 ml humidifiers to reach 2.388	50	2,15	107,50
OPTION A · goods			**24.053,70**
Lot 1 LYX-AC15, DIN	25	32,00	800,00
Lot 2 LYX-AC13H2 *without* humidifiers	1.169	15,50	18.119,50
Lot 3 XF-0326 disposable 500 ml	2.388	0,89	2.125,32
OPTION B · goods			**21.044,82**

4. Freight and insurance to Maputo (CIP Maputo)

Volume is 7,2 m³ including pallets and dunnage, chargeable on 8 revenue tons at 1.000 kg per m³. The ocean rate below is the figure confirmed by the supplier. Origin charges, destination charges and insurance are **provisions pending carrier confirmation** and are identified as such.

Component	Basis	Option A	Option B
Ocean freight LCL, Ningbo to Maputo	USD 240 per m³ × 7,2 m³ — **confirmed**	1.728,00	1.728,00
Origin charges	THC Ningbo, documentation, export clearance — provision	450,00	450,00
Destination charges, Maputo	THC, ISPS, documentation — prepaid by supplier — provision	650,00	650,00
Marine insurance	110% of CIF, 0,5% premium — provision	147,85	131,30
Freight and insurance total		**2.975,85**	**2.959,30**

5. Totals delivered in Maputo

	Option A · reusable 200 ml	Option B · disposable 500 ml
Goods	24.053,70	21.044,82
Freight and insurance	2.975,85	2.959,30
TOTAL CIP MAPUTO (USD)	**27.029,55**	**24.004,12**
Cost per flowmeter position	23,13	20,53

Option B is USD 3.025 lower delivered, and USD 2.901 lower on goods alone. The difference is the price of sterilisable reuse against single-use consumption.

6. Delivery

Stage	Duration
Production, Lot 1	15 working days
Production, Lots 2 and 3	20 working days
Transit Ningbo to Maputo, LCL via transhipment	35 to 45 days
Total, order to Maputo	**approximately 10 to 11 weeks**

The South African alternative delivers in 5 to 7 days after payment, at 2,9 to 3,1 times the delivered price.

Prepared by Infinity Health for CHAI. Figures in USD. Prices and provisions as stated on 9 November 2026. This document separates confirmed supplier figures from the provisions marked as such. Freight figures shown as provisions are subject to carrier confirmation.
