Terms & Conditions

Quote Validity

These prices are valid until Expiry date as detailed above and is subject to written confirmation. Any alteration to this quotation shall not be binding unless agreed to in writing by the seller.

Rate of Exchange

Unless Otherwise agreed to in writing. All prices are based on the below Rate of Exchange and are applicable to 100% of the quotation / order. Any variation between the rate of exchange quoted and the rate of exchange (ABSA Capital Selling Rate) on the date of delivery of the goods will be for your account. Changes in statutory duties and surcharges will also be for your account. The differences in price will be reflected on your Invoice.

Quoted rate: **1 Euro = ZAR 18.59**

Payment Terms

Payment prior to Delivery / Collection unless account is held (Payment for Account Holders is 30 days from Statement). All ownership of equipment or goods remains property of Wirsam Scientific until paid in full.

Insurance

No repair item will be covered by any insurance from Wirsam Scientific during the time of its repair at Wirsam Scientific. It shall be up to Client to ensure the preservation of an existing insurance coverage for the repair item even for the time of its transfer to Wirsam Scientific.

Delivery

Prices include delivery to the agreed address. Should delivery to another location be required additional costs may be applicable Delivery is to be confirmed on order. Time is approximate and calculated from receipt of the official order and, where applicable, the required deposit.
Delivery Time: 6-8 weeks

Installation and Commissioning

Unless otherwise specified. Prices exclude installation and commissioning of equipment.
• Installation means: connecting system to peripherals (Electrical point, Water etc) as detailed in the site requirements of the system. The provision of these peripherals is the buyers responsibility.
• Commissioning means: Testing the system to ensure that it complies to OEM standards and specifications.
• Unless otherwise agreed in writing the installation and commissioning does not include setting up and developing methods and applications for your specific applications. Should this be required please request an additional quotation.

Training

Unless otherwise specified. Prices exclude training on equipment.

Cancellation of Orders

• Orders are firm and not subject to cancellation.
• Where cancellation of an order is accepted by the Supplier, the purchaser will become liable for a cancellation fee of 50% (fifty percent) of the selling price, plus the cost of shipping the goods back to the factory in the Country of Origin.

Other

Notwithstanding the above Wirsam Scientific's standard Terms and Conditions apply, which are available on request.
